# Our mission is to provide opportunities for young athletes to play team golf in a fun environment that promotes education and development.

**ABOUT US** Junior Cup Golf is a 501(c)(3) nonprofit organization that provides opportunities to young athletes aspiring to play competitive golf in high school and fosters fun environments that promote education and development in the game of golf. While the sport of golf is traditionally an individual sport, our organization forms community-based teams of junior golfers to learn, train, and compete against other community-based teams. Junior Cup Golf not only educates junior golfers on the fundamentals of golf, but also promotes core values such as patience, respect, integrity, teamwork and sportsmanship.

# We make an impact.

## 2021

Junior Cup Golf was Founded.

---

## 460

Golfers on a Junior Cup team in 2025.

---

## 100+

Additional high school golfers who train at our facility weekly in the winter.

---

## 14,400

Square foot best-in-class indoor training facility dedicated to junior golf.

---

Junior Cup Golf is making a meaningful impact on junior golf in our communities. Our team-based model is the first-of-its-kind in our area, which combines exceptional coaching with top notch training resources for juniors to grow their skills and develop a lifelong love of the game. Sponsorships play a vital role in sustaining and expanding these efforts by offering crucial funding, resources, and visibility that help our organization fulfill its mission more effectively.

# Fall 2025 indoor training facility expansion

Junior Cup Golf's indoor training facility is the first of its kind in our area, dedicated to developing junior golfers. Featuring state-of-the-art simulator bays and spacious areas for both short game and long game practice, it provides young athletes with top notch training resources to grow and excel. With the support of generous sponsors and donors, the facility is set to expand in the fall of 2025—doubling in size to 14,400 square feet with new, premium golf spaces that will further advance our mission to elevate junior golf.

## Existing Facility → Expanded Facility

6 → 11

Number of simulator bays featuring technology used by some of the best players in the world.

3,000 → 6,000

Square feet of premium short game areas, including the ability to putt, chip, and hit sand bunker shots.

0 → 1

Number of sand bunkers. The first indoor sand bunker in Wisconsin!

Join us to elevate junior golf in our communities.

# Let's work together

## BECOME A SPONSOR TODAY!

Each sponsor makes a difference! Your generous sponsorship will help us:

- Make improvements to expand our indoor training facility: Sponsors will help us create new premium spaces to create amazing opportunities for junior golfers to learn and enjoy the game.
- Invest in top-notch instruction: Support from sponsors will also help us invest more in operational needs, including instructional time from professional coaches to work with our junior golfers.
- Upgrade equipment: Help our state-of-the-art facility stay that way! We invest in the same golf simulator technology and equipment that the pros use.
